**Analyst comments:**

The warning you experienced indicates that the application had not established reputation with the Microsoft Defender SmartScreen Application Reputation feature at that time. We can confirm that the application "mathrep.exe, (SHA256:896b82f6f2c7783fe1424c837f6ad274fcaa34a6e1b2d6796bdeff7a2e3730a4)" has since established reputation and attempting to download or run the application should no longer show any warnings.

Please note, however, that the submitted files are not signed using a valid digital certificate. Unsigned files will have to establish reputation each time a new version is released.

Application Reputation warnings are meant to indicate when applications do not have known positive reputation. This doesn't mean that the application Click here for more information
